

# Roundtable Outcomes

- Understand that the Governor's vision, through the Generation of the Child, is to make Idaho the best place to live and raise a family.
- Create an environment at the regional level to acknowledge the efforts of the past, capture a shared sense of community in the present and envision the best possible future for families and children.
- Introduce the Governor's Coordinating Council for Families and Children Strategic Plan.

# Roundtable Outcomes

- Continue to create a common framework and language for collaboration through the use of the KIDS Action Template.
- Introduce resources to help develop or enhance a community's capacity to serve the needs of families and children.
- Review the guidelines for Faith-Based coordination.

# Roundtable Outcomes

- Provide opportunities to network.
- Increase awareness of resources for families and children at the state, regional, and local levels.
- Recognize Promising Practices as models for communities.
- Provide an opportunity for youth involvement and leadership.
- Affirm, empower, and inspire participants.
